## Dot Matrix Printers

# impact 4550

High speed, high copy capability and heavy duty multifunctional flatbed impact printer, ideal for mission critical environments.

### KEY FEATURES

- High speed printing up to 1215 cps
- High copy capability
- Straight paper path route (Flat Bed)
- Up to 1 + 8 copies
- 8 different paper path set-ups available
- APTC and HCCP Functions
- Various interfaces available

#### Unmatched performance

With full print speeds reaching 1215 cps @ 15 cpi in Draft mode, the Globalis impact 4550 flat-bed printer is a highly suitable solution for saving valuable time at the office.

#### Speed & flexibility

The Globalis impact 4550 printer provides superior performance with form feed speed of 12" per second continuous feed and has been designed to offer several paper loading inputs available at the same time with options. Depending on the print usage, a maximum of 4 paper paths can be set simultaneously.

#### Outstanding paper handling

Flat bed printer with straight paper path route provides more accurate line feed and enables paper to be fed more smoothly.

With 8 various paper paths set-ups, the impact 4550 is suitable for any printer setting circumstances. The printer offers enhanced paper handling capability to ensure flexibility and comes with standard features like APTC (Automatic Paper Thickness Control) and HCCP (Host Controlled Paper Path).
