>> Compact printer for general purpose and specific applications

Dot Matrix Printers

impact 1170

Globalis Impact 1170 comes in a compact design and prints up to 415 characters per second at very low noise level.
This flatbed printer is ideal for business applications as well as industrial environment offering an all-in-one solution for transactional single sheet applications as well as continuous form printers with outstanding multi-copy capability.

KEY FEATURES

- Print speed up to 415 cps
- Print head life of 250 million strokes per wire
- Up to 7 copies
- 24-needle print head with 5 million draft characters life
- Up to 64 Kb input buffer
- 8 barcode types
- Flexible, intelligent printer that can be used for front desk applications
- Bi-directional printing with logic seeking
- Standard Parallel, optional serial or USB interface
- Suitable for transaction applications
- Integrated LAN (option)
- Available with built-in Arabization for full Arabic standard support

Flexible paper handling
Great paper handling ability with a capacity to print continuous forms up to 7 copies including the originals. The 1170 features flexible and configurable paper handling to facilitate paper manipulation in transactional environment. It offers also a reliable support of continuous forms. The printer can print on a variety of papers, envelopes, postcard, adhesive strips and multiple copy forms.
The printer comes with a parallel interface and can be equipped with an optional serial or USB interface. It integrates popular emulations to support a variety of environments.

Outstanding performance
The Impact 1170 printer is designed to offer the best print techniques for a good quality output at a minimum cost. It delivers the same quality output on single sheets as on multiple copy forms up to 1+6 copies.
