

M406 MICR Printer

Fast printing and features like duplexing make check printing easy and efficient for small to medium-sized businesses. HP printers have the industry's strongest security because they're always on guard, continually stopping threats while adapting to new ones. And only HP printers can automatically self-heal from attacks. Get HP's award-winning security combined with optimized functionality from TROY.

Print Secure Checks In-House

Eliminate security risks of preprinted check stock. Add your logo, payee, signature, and MICR line. Also works with preprinted check stock to protect the payee and amount from alteration.

Efficiency & Security

Reduce manual logging and chain of custody protocols. Plus **use one stock across multiple accounts by adding the MICR line at the point of issue.** Built-in tray locks and steel shielding protect check stock.

Quality & Reliability

MICR fonts created specifically for secure check printing. Patented MICR toner features **high adhesion and rigorous quality testing** to ensure a strong MICR signal. The only HP approved OEM MICR Toner on the market.

MICR Fonts

Security fonts designed for optimal reading and minimal errors.

MICR Toner Secure™

The World's Most **Fraud Resistant** MICR Toner™; full standard yield cartridge included.

Paper Tray Locks

Printer specific, built-in locks prevent paper theft by refusing unauthorized access. (optional)

Technical Specifications M406 MICR Printer

The World's Most Secure Check Printing

The operating code (BIOS) is automatically checked during startup and repairs itself if compromised.

Common Criteria certified to continually monitor memory activity to detect and stop attacks in real time.

Firmware is automatically checked during startup to determine if it's authentic code—digitally signed by HP.

The printer's outgoing network connections are inspected to stop suspicious requests and thwart malware.

GENERAL SPECIFICATIONS

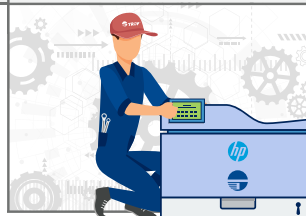

Print Speed: up to 40ppm
First Page Out: 6.3 Sec from ready mode
Paper Trays: Std 2 / Max 3
Input Capacity: 350 Sheets Std / 900 Sheets Max
Output Capacity: 250 Sheets
Envelope Input, Std: 10
Envelope Feeder: No
Duplex: Automatic
Duty Cycle, Monthly: Up to 100K Pages
Monthly Volume: 900 - 4,800 Pages
