

Virtual Assistant Kiosk

Wall Mounted

Enhance the customer service experience at your branch with our wall-mounted kiosk, specifically designed to provide remote consultancy through video or telephone.

GLOBALIS Virtual Assistance Kiosk offers a convenient solution for face-to-face assistance, allowing customers to initiate a remote video call at any time.

Our kiosk not only helps save costs but also delivers a new level of customer experience. It includes features like document scanning, fingerprint scanning, and card reading, making it a versatile machine for all your operations needs.
